4. CALA Deactivation Policy

CALA’s goal is providing reliable and long lasting partnerships with both Partners and Contractors. CALA does this by connecting the top Designers with the top Partners in terms of design, quality, reliability, accountability, and transparency in communication. This is only possible when Designers trust Partners and vice versa. If we determine, in our sole discretion, that you have breached the terms of this Agreement, you may be barred or suspended from using the Platform, either temporarily or permanently, depending on the seriousness of the breach.

Following completion of a Design Project, you may rate a Partner on a five-star scale and give feedback. This system holds Partners accountable for their production quality. Accountability helps create a respectful environment for both you and Partners. Partners can see their current rating in the Platform. Likewise, Partners may rate you as a Designer and give feedback through the Platform. The easiest way to keep the average rating high is to provide exceptional quality product and turnaround time on every Design Project.

5. Compliance With The Law

Contractors using the Site and/or Platform agree to and shall act in compliance with all relevant state, federal and local laws at all times.

6. Dispute Resolution.

The parties agree that any controversy or dispute between the parties concerning this Agreement, including deactivation of Contractor’s access to the Platform or the construction or application of any of the terms, covenants, or conditions of the Agreement, will first be subject to reasonable good faith efforts by the parties to resolve such dispute, and if such good faith efforts are not successful, shall be submitted to binding arbitration in New York County, New York, on the request of any party, and the arbitration shall comply with and be governed by the provisions of the New York Civil Practice Law & Rules, Article 75. Arbitration shall be conducted by three arbitrators familiar with the commercial practices of Company and Contractor’s industry. Each party shall be entitled to select one arbitrator, which two selected arbitrators shall in turn select a

third arbitrator. Any award or decision obtained from any such arbitration proceeding shall be final and binding on the parties, and judgment upon any award thus obtained may be entered in any court having jurisdiction thereof. All parties to the arbitration shall as an initial matter share the costs of such proceeding, but the prevailing party may be awarded fees and costs, including reasonable attorney's fees.
